Hello Everyone,

Sarah, thank you for your response. That was the last I heard about the bin as well. It was decided that the trash and or green waste would be collected by Rec & Park if left in the agreed area.

Good morning,

The idea about having a bin at the Roger Jessup garden has come up multiple times. Permanent, regular collection does have a fee attached and there was not any entity willing to cover the cost. In the last go round, it was decided that if green waste bags were placed outside the garden that Park Maintenance would handle collecting those. For the semi-annual major clean-ups LASAN would provide a temporary bin. We did this not too long ago on the first weekend of March. I have copied Susie from the Council Office in case there are any other discussions regarding this issue that I was not a part of.

Sarah

Good afternoon I hope this email finds you well healthy and safe

The reason why I'm writing you this email Sarah to see if you can how about Odilia she's a volunteer in the community park and they were wondering would it be possible if they could get a bin for trash Stan's they're starting to garden and they're opening the parts would it be possible for them to get a bin for the trash she's on this email so I would appreciate if you could please help her or guide her and I know for a fact you will because your commitment to the community words cannot say everything you do for our community and how you are eager to help us out and guide us and give us information I really appreciate if you can get back to her I know it's a long weekend so you can get back to her next week I would really appreciate it and have a great three day weekend
